## PROFILE

---

As a passionate Frontend Developer with a Master's in Computer Science from Modern College of Arts, Commerce, and Science, Shivajinagar, I specialize in crafting responsive, high-performance web applications using modern technologies like HTML, CSS, JavaScript, React.js, and Next.js.

With **6+ months** of hands-on experience in frontend development, I have honed my skills in building scalable, real-time applications while staying updated with the latest industry trends. My academic and practical journey has sharpened my problem-solving abilities, attention to detail, and expertise across the entire development lifecycle, from prototyping to deployment.
